The Total Package

Everything you need to get the most performance out of your custom wheelchair.

ADI Carbon Fiber Back: The ultimate in strength without the weight. Available in 3 heights with 2 contour options. Ergonomically designed for proper posture to ease the strain on the lower back during long active days.

[For more information on ADI Aluminum and Carbon Fiber Backs.](#)

ADI Carbon Fiber Seat Pan: Strong, lightweight support. [More information.](#)

ADI Disc Brakes: Experience the difference with the patented first fully integrated wheelchair braking system. Effortless controlled braking and the ability to fully lock the wheels. [Visit StealthProducts.com](http://StealthProducts.com) for more information.

Variable Lever: Good for users with limited trunk control and hand function. Actuates both wheels. 5 adjustable position settings. [Click for more.](#)
