Limited Liability

Stealth Products, LLC accepts no liability for personal injury or damage to property that may arise from the failure of the user or other persons to follow the recommendations, warnings, and instructions in this manual.

Stealth Products does not hold responsibility for final integration of final assembly of product to end user. **Stealth Products** is not liable for user death or injury.

Testing

Initial setup and driving should be done in an open area free of obstacles until the user is fully capable of driving safely.

Warning Labels

Warnings are included for the safety of the user, client, operator, and property. Please read and understand what the signal words **DANGER**, **WARNING**, **CAUTION**, **NOTICE**, and **SAFETY** mean, and how they could affect the user, those around the user, and property.

DANGER

Identifies an **imminent** situation which, if not avoided, may result in **severe injury, death, and property damage**.

WARNING

Identifies a **potential** situation which, if not avoided, may result in **severe injury, death, and property damage**.

CAUTION

Identifies a **potential** situation which, if not avoided, may result in **minor to moderate injury and property damage**.

NOTICE

Identifies important information not related to injury, but possible **property damage**.

SAFETY

Indicates steps or instructions for safe practices, reminders of safe procedures, or important safety equipment that may be necessary.

Intended Use

The **Calf Support Covers** are intended to provide comfort and protection by adding a soft cover filled with open-cell foam over the standard molded calf supports. The pads have removable covers for easy cleaning.

Installation

1.

2.

1. Align the shape of the calf support pad with the existing molded calf support. Place the top flap of the calf support cover onto the existing plastic calf support.
2. Slide the calf support cover down until the top flap is taut against the calf support.

3.

4.

3. Pull the bottom flap down and under the bottom edge of the calf support.
4. Smooth out all wrinkles on the contact surface.

NOTICE

The Calf Support Covers are sized to fit the calf supports. Make sure to install them on the proper side and in the correct orientation.

Dealer Assistance

During first time use by the client, it is advised that the dealer or service technician assists and explains the configuration to the customer (the user and/or the attendant). If needed the dealer can make final adjustments.

User Testing

It is important that the customer is fully aware of the installation and what or how the product can be adjusted. If needed, adjust the **Calf Support Covers** so they function to the user's needs. Explain to the customer possible problems that may arise, and how to address them.

Conditions of Use

The **Calf Support Covers** are intended for use as installed by the dealer, in accordance with the installation instructions in this manual.

- The foreseen conditions of use are communicated by the dealer or service technician to the user and/or attendant during the first time use.
- If the usage conditions change significantly, please contact your dealer or service technician to avoid excessive wear and tear or unintended damage.

Cleaning

The **Calf Support Covers** may be wiped clean with a damp cloth during normal cleaning. Should they need to be washed, follow the guidelines below:

- Remove the Calf Support Covers from the calf supports.
- Remove the foam pad from the cover prior to washing. Do not get the foam pad wet.
- Machine wash the cover in cold water, delicate cycle with like colors. Do not use bleach or fabric softener. Do not dry clean the covers.
- Tumble dry on low heat. Remove promptly.
- Replace the foam pads inside the covers and install again as shown on the Installation page.
